Ad Pages Can Help You Successfully Market Your Business.

Ad Pages Magazine was started in Dallas, Texas in February of 1988 by our founder and current president Bill Squiric. At the time Ad Pages had zero employees, zero capital, and zero customers. Ad Pages did, however, have a wonderful idea to offer direct mail coupons within a magazine format. The goal was to create a magazine so attractive and filled with usable coupons that readers would notice it in the mailbox and then value it enough to keep it around the house for constant use.

We succeeded and the concept worked – exceptionally well. Now, 31 years later we are mailing in excess of 26 million magazines throughout 98 individual communities and suburban markets every year. The number continues to grow.

We are able to mail so many magazines for one reason - We make our advertisers lots of money.

Call us today and let one of our professional Ad Consultants show you how Ad Pages can help your business make more money.

We Make Our Advertisers Money.

Being in business since 1988 has provided us with loads of great success stories from our loyal clients. Here are just a few of the latest testimonies from some of our current clients.

We began advertising with Ad Pages six months ago and are very happy with the results. Our ad brings in as many as 90 new customers per mailing and we redeem an average of 120 coupons per month. This has resulted in a 30% increase in our sales. We see results immediately after the magazines go out and have found they continue for about 2 1/2 weeks. We have gotten at least 30 referrals from patrons using the coupons and have had numerous customers return without an offer for both dine in and carry out.

Luigi's Italian Restaurant, Haltom City

"We began advertising in Ad Pages approximately four years ago and one of the best things I like about it is that the ad always looks great. We see an increase in sales after each issue goes out and the ad continues to bring in customers for two to three weeks. We usually get 80 to 100 coupons returns per month and 15 to 20 new diners per mailing."

Stacy VanDyke, Owner, Dickey's BBQ - Coppell

"I've been advertising in the local Ad Pages for almost two years and the one thing that has continued to surprise me is the number of first time guests that come in each month due to this advertising. We begin to see results immediately after the ad comes out and continue to see traffic from the ad through the last week of the month. One month's print advertisement can bring us approximately 30 new guests, in addition to the 200 redemptions we'll get during the month. We get excited with the number of redemptions and consistent new guests brought in, as that can build our sales 4% to 5% each month over the previous year.

Gilbert Ramirez, Franchise Owner/Operator, Mooyah Burger - McKinney

"We have been in business since 1948 and have a great customer base. We had not advertised in over 10 years, and the results we received from running in Ad Pages were immediate as soon as it hit the mailboxes! We see our loyal customers and lots of new faces every day. We have been advertising since January 2018 and it keeps getting better every month! Thank you Ad Pages. We are very pleased and will be long time customers."

Merishia & John Morrow, Owners, Catfish Sam's - Arlington

"We have been advertising with Ad Pages for almost 4 years. We love their ads and their Ad exec is awesome. We see immediate results the day magazines hit homes and continue to see results for 1-2 months. We have received 20-30 new customers per mailing and 30-50+ coupons being redeemed. We are constantly growing with this being the best advertising we could ask for."
